1,000TH ULTRASOUND MACHINE DEDICATED!

The Knights of Columbus has donated its 1,000th ultrasound machine to pregnancy centers around the world, fulfilling a 10-year initiative to give millions of babies a chance at life.

Help support the OLMC Knights of Columbus Ultrasound Initiative by attending this benefit!

All monies raised are being matched by the Knights of Columbus Supreme Council, for the Arizona State Knights of Columbus to purchase additional Ultrasounds for Pregnancy Support Centers such as the one just installed at the Aid to Women Center.

Katrina Winn from Aid to Women Center will be guest speaker at the dinner.

Your local District Knights Councils are funding for everything purchased, so all monies raised for the meal, drinks, basket raffles and 50/50 raffle are going towards the Ultrasound Initiative.

Tickets will be on sale after Each Weekend Mass at OLMC in the Shrine area, the weekend of February 2nd-3rd and February 9th-10th.
