

# Aid to Women Center Baby Bottle Fundraiser

This weekend, our Knights of Columbus Council is kicking off a baby bottle fundraising drive for Aid to Women Center. Aid to Women Center is a Catholic, pro-life pregnancy center that provides compassionate medical care, counseling, education, resources, and material assistance to women in need. They currently serve 200 women per week in their three local Centers.

Aid to Women Center is unique among local pregnancy centers in that they provide comprehensive well woman and prenatal medical care. Consequently, they are the recipient of medical referrals from other local pregnancy centers and see many of their clients from confirmation of pregnancy to 18 months post-delivery. All of their services are FREE or low cost, and scholarships are always available for those who need them.

*So please pick up one of their baby bottles after Mass... fill it with a check, cash, or coins... and return it to one of their collection bassinets before Mass on **March 16<sup>th</sup> & 17<sup>th</sup>**. Checks should be made out to Aid to Women Center, and a representative is onsite to accept debit & credit card donations.*

Thank you for your support of this worthy organization!
