

OLMC 8th Annual Golf Tournament

The OLMC Knights of Columbus would like to thank all of those involved, in this year's event, for making it such a huge success.

Aid to Women Center
PREGNANCY AND MEDICAL CLINIC

This year's tournament proceeds surpassed our prior events, raising \$3,000 in funds to benefit the Aid to Women Center pregnancy and medical center.

Andy Soesilo

We also dedicated this year's tournament, to the passing of OLMC Brother Knight Andy Soesilo. Andy was one of the Tournament Founders and involved in making every tournament a success since its start. In his memory, a donation of \$500 made to the organization that Andy founded, the PKKA in support of the Christian Education of Indonesian Children.

In addition to the generous golfers playing in the event, we would like to thank; Ken McDonald Golf Course, those contributing through our raffles and auctions and our Knights of Columbus volunteer staff.
