The tournament is open to ALL male and female golfers of all ages and skill levels!

**Proceeds will benefit:**

FULL CIRCLE Program, a ministry serving families with teens/young adults struggling with a range of issues that can challenge the very foundation of any household. Issues may include substance abuse, addictions such as (but not limited to) gambling or pornography, depression, promiscuity, or eating disorders. This list is by no means exhaustive, and is not meant to be exclusive. If you or someone you love is in pain, or just have questions about a particular matter, we here at Mt. Carmel would like to help. Often conventional help, be it advice, therapy, or rehabilitation, while well intentioned, allows young people to slip through the cracks. Our aim is to provide a program that provides families with support, responds to individual needs, affirms your strengths, and, above all, a program that will serve as a safety net so that our children will not fall through the cracks.

**Other Mount Carmel parish, school and Knights of Columbus sponsored Charities will also benefit!**
